

PRINT + PACKAGE

PHOTO CASE STUDIO

Turn a camera roll into a tactile,
printable photo archive.

ONE PRIVATE WORKFLOW

Your images and metadata stay in the browser.

01

SELECT

Choose a full set

02

LAY OUT

A4, 4R or 6R

03

PRINT

Fronts + aligned backs

04

FOLD

A fitted no-glue case

A case that fits the stack

Photo count, media thickness and
paper stock determine the spine,
gussets, bevels and locking tabs.

FULL-EDGE WRAP / NO GLUE

BUILT FOR REAL PRINTING

1

Flexible formats

Instax Wide, 4R, square or custom.

2

Straight-cut sheets

Clean grids and crop marks for a guillotine.

3
